

**CE8712 INDUSTRIAL TRAINING**

**(4 Weeks During VI Semester – Summer)**

**OBJECTIVE:**

- To train the students in field work so as to have a first-hand knowledge of practical problems in carrying out engineering tasks. To develop skills in facing and solving the field problems.

**STRATEGY:**

The students individually undertake training in reputed civil engineering companies for the specified duration. At the end of the training, a report on the work done will be prepared and presented. The students will be evaluated through a viva-voce examination by a team of internal staff.
